Hedgerow to be maintained on the common facing side and top. Maintenance schedules can be found in the file (2277/landSpMan/C01/T2 - Page 42)

3m of ditch set down in level in order to create an area for aquatic plants to flourish. Moving east the gradient becomes shallower for H&S reasons

Litter / Dog litter bins to be cleared fortnightly by Blunsdon Parish. Crest will take charge until handover of the whole common

Area of cracked footpath. Not hazardous. Crest will monitor for 12 months

Monolith to be cleaned periodically by Crest until handover of the whole common area. Christmas Tree to be installed by Crest each year until all strategic land is handed over

Maintenance schedule of all conveyance ditches and pond can be found in file 2277/landSpMan/C01/T2 - Page 50

Grass to be cut in accordance with the maintenance schedule found in 2277/landSpMan/C01/T2 - Page 42

Ditch currently green and 'sandy'. Over time this will flourish with aquatic plants. Will need monitoring for maintenance timings.

Hedgerow to be maintained on the common facing side and on top. Swindon should maintain the highway face, however Crest have had to do this in the past
